

Guy B. Marin - Major Prizes and Grants

- 2020-2021 Professor Mikhail Slin'ko Honorary Lecture «Chemical reaction and reactor engineering: a key discipline for process optimization, innovation and intensification» at the XXIV International Conference on Chemical Reactors ChemReactor-24 in Milan
- 2018 Guest Professor at Aalto University
- 2017- Honorary Professor of Tianjin University
- 2015- Elected member of Technical Sciences Section of the Royal Flemish Academy of Belgium for Sciences and Arts (KVAB)
- 2012-2017 Advanced Grant "Multiscale Analysis and Design for Process Intensification and Innovation" (MADPII), European Research Council (ERC)
- 2012 P.V. Danckwerts Memorial Lecture Chemical Engineering and Kinetics: A "Pas de Deux" of Theory And Experiment, awarded jointly by the American Institute of Chemical Engineers (AIChE, US), the Institution of Chemical Engineers (IChE, UK) and the European Federation of Chemical Engineering (EFCE) in Pittsburgh (US)
- 2009-2019 "Methuselah" Endowed Chair "Multi-scale Modeling and design of chemical Reactions and Reactors" (M2dcR2) by the Flemish Government
- 2008-2023 "Master" of the "111" project in the field of "Chemical Reaction Engineering" at East China University of Science and Technology, Shanghai by the Ministry of Education of the People's Republic of China -State Administration of Foreign Experts Affairs. The 111 programme has selected 10 overseas experts, with one of them as "master", for the top 100 science and engineering fields in the People's Republic of China.
